1	Absolutely make a safer walk from Lake George to across Divison. I'm a daily walker and not a day goes by that people run red lights at the pedestrian crossing. I am a careful adult and know to look for speeders and light runners. But children cannot safely cross there. It would be nice to build that up and connect to lake, library, easier access to downtown from lakes/ park and new city facilities.	7/19/2020 11:14 AM
