

## **FY 2022-2025 Transportation Improvement Program Administrative Modifications**

May – June 2022

The following is a detailed list of administrative modifications to the Saint Cloud Area Planning Organization's (APO's) fiscal years (FY) 2022-2025 Transportation Improvement Program (TIP). Per guidelines documented in the APO's Stakeholder Engagement Plan (SEP), a public notification through a 30-day public comment period was not required prior to these changes being implemented.

The APO's Technical Advisory Committee (TAC) – a committee of area planners and engineers – reviewed these changes at its regular meeting on May 26, 2022. The APO's Policy Board took action on these changes at its regularly scheduled June meeting (June 9, 2022).
