

St. Cloud APO Bridge Study Segments

Wild, Scenic, & Recreational Riverway
 Areas identified by MN Statute 103F, as amended (Wild & Scenic Rivers Act), or identified by a town board and the County Board as containing similar natural qualities.

Aggregate Reserve
 Areas identified by the County Board based on the Minnesota Department of Natural Resources (Classification of Aggregate Resource, Sherburne County, Minnesota, 1987) as containing significant aggregate deposits and areas within proximity of such areas intended to be used as buffers from existing or planned residential subdivisions.

Haven Township Land Use Plan from
 Sherburne County Land Use Plan 2010-2030
