#5: Benton County is proposing to construct a roundabout at the intersection of CSAH 29 and CSAH 1 in Sauk Rapids. The estimated project cost is \$3,000,000 with \$1,190,000 coming from federal funding and \$1,810,000 coming from local sources.	50.00% 1	50.00% 1	0.00% 0	0.00% 0	0.00% 0	0.00% 0	2
#17: Benton County is proposing to do a full depth reclamation on Benton CSAH 3 (Golden Spike Road NE) from CSAH 1 (Mayhew Lake Road) to County Road 44 (55th Street NE) which is the APO's planning area boundary. The estimated project cost is \$4,721,760 with \$2,953,335 coming from federal funding and \$1,768,425 coming from local funding sources. Please note that this project will continue another mile northeast to Popple Creek (the intersection of CSAH 3 and CSAH 4/65th Street NE). This extension will occur during the same construction season, however, because this falls outside of the APO's planning area, funding to complete this last mile will be funded entirely by the county through local funding sources. The cost to complete this section has NOT been included in the estimated project cost of \$4,721,760 quoted above.	0.00% 0	50.00% 1	50.00% 1	0.00% 0	0.00% 0	0.00% 0	2
#29: Benton County was a recipient of Congressionally Directed Spending (CDS) funding (formerly known as federal earmark funding) to complete a corridor extension of Benton CSAH 29 from CSAH 1 (Mayhew Lake Road) to CSAH 3 (Golden Spike Road NE). <p>#4: Sherburne County is proposing to consolidate two 45-degree intersections of US 10/BNSF railroad (at County Road 65/42nd Street SE and 45th Avenue SE) into one 90-degree intersection. This consolidation would also include the realignment of the two roadways for improved access to this new intersection. The estimated project cost is \$2,500,000 with \$1,960,000 coming from federal funding, \$240,000 coming from state funding, and \$300,000 coming from local funding sources.</p>	0.00% 0	0.00% 0	100.00% 1	0.00% 0	0.00% 0	0.00% 0	1
<p>#30: Sherburne County is taking the lead on a construction project at the intersection of County Road 61 and US 10. At the conclusion of the 2021 Minnesota Legislative session, the state had obligated funding to the Saint Cloud APO/Minnesota Department of Transportation (MnDOT) to conduct both a safety study on US 10 (from 32nd Street SE/Sherburne County CSAH 3 to 45th Avenue SE/Sherburne County Road 65) as well as fund an intersection safety project on US 10. After the completion of the US 10 safety study (which was funded using MnDOT funds obligated to complete a safety study along that corridor prior to the legislative action), there was an additional \$1 million remaining to construct the intersection safety project. As a result, MnDOT and Sherburne County have identified the US 10 intersection with CR 61 as the location for this project. realign this intersection as well as construct a westbound acceleration lane. The total estimated project cost is \$1,600,000 with \$600,000 coming from federal funding and \$1,000,000 coming from the legislature. The county does not have any cost participation in with this project.

<p>#18: Sherburne County is proposing to install transverse rumble strips at County Road 65 (both north and south of the intersection with CSAH 3); County Road 62 (west of the CSAH 20 intersection); County Road 61 (west of the CSAH 20 intersection); CSAH 20 (north and south of the intersection with CSAH 16); and CSAH 20 (north and south of the intersection with CSAH 3) within the APO's planning area. The estimated project cost is \$675,000 with \$607,500 coming from federal funding and \$67,500 coming from local funding sources. Please note, this project is part of a countywide project to add transverse rumble strips/rumble strips as well as ground-in wet reflective pavement markings along various roadways throughout Sherburne County. #16: The City of Sartell is proposing to construct a shared-use path on Heritage Drive -- completing the connection from Amber Avenue S to CSAH 1. In addition, the city is partnering with the Sartell-Saint Stephen School District's Riverview Intermediate School to complete some sidewalk connections on school property. The estimated project cost is \$637,900 with \$389,160 coming from federal funding, \$97,290 coming from the state's Active Transportation Infrastructure Grant award, and \$151,450 coming from local sources.	0.00% 0	66.67% 2	33.33% 1	0.00% 0	0.00% 0	0.00% 0	3
#19: The City of Sartell is proposing to acquire right-of-way property for the future construction of the 15th Street N connection between Pinecone Road and 19th Avenue N. The city was successful in receiving Congressionally Directed Spending (CDS) funding (formerly known as federal earmark funding) to complete this right-of-way acquisition. The estimated project cost is \$3,930,000 with \$2,200,000 coming from CDS funds, \$943,774 coming from federal funding, and \$786,226 coming from local sources.	0.00% 0	0.00% 0	33.33% 1	33.33% 1	33.33% 1	0.00% 0	3

Q2 In addition to the three roadway projects, the City of Sartell has one more project programmed during the time period of fiscal years 2025-2028. During the spring 2024 Carbon Reduction Program solicitation, the City of Sartell was successful in receiving federal funding assistance to purchase four electric vehicle (EV) police vehicles. The estimated project cost would be \$216,780 with \$165,333 coming from federal funding and \$51,447 coming from local funding sources. Please tell us how important this project is to you and to regional transportation.

1	Linking up trails	8/14/2024 2:05 PM
2	I would connect the bike trail to continue Westerly from the end (by McDonalds on 10th Ave) to a direction Easterly. I would also create a way to get from the Wobegon to the St. Cloud trail that goes through the Westwood area without having to bike down either County Road 134, or what (I think) is also called 134 that crosses the tracks by PAMS auto parts.	8/11/2024 7:48 PM
3	Another extension of the bike trail to hook up with Beaver Island trail.	8/11/2024 3:45 PM
4	Make it to were all of the bike trails connect. Lake wabagon trail down to quarry Park and then on the Rockville.	8/10/2024 7:24 PM
5	As someone who has cycled over 2,000 miles all over metro St. Cloud, I would say focus on connecting existing bike paths and create separated bike paths that actually go somewhere IN THE CITY (as opposed to the middle of nowhere).	8/10/2024 11:12 AM
6	Safe bike crossings from south of Hwy 23 to Wobegon Trail.	8/10/2024 8:47 AM
7	Clean up your existing parks and public spaces. Make them safer. More lights	8/10/2024 3:32 AM
8	Safer routes to cross Waite park enroute to Wobegon trail head	8/9/2024 7:47 PM
9	Made sure there are smooth sidewalks in all areas that are needed. For those in wheelchairs.	8/9/2024 6:39 PM

11	Separate biking from where vehicles drive, stressing on safety for bike riders.	8/9/2024 4:49 PM
12	Walking trail	8/9/2024 4:11 PM
13	Existing road improvements.	8/9/2024 2:40 PM

16	Include snowmobile trail access to Wobegon trail in St Joseph.	8/9/2024 12:11 PM
17	More bike trails are always fun for people of all ages	8/9/2024 11:47 AM
18	Connect sidewalk at 2nd Ave S and 7th St S to sidewalk at 7th and Dublin. I understand this stretch is at least partly St. Cloud.	8/9/2024 11:13 AM
19	More bike paths	8/9/2024 10:35 AM
20	1) Lighted crosswalks to stop traffic on 10th Avenue North and Great Oak Circle and on 3rd Street N and 8th Avenue N to get to River's Edge Park and the Wobegon trail safely. 2) Sidewalks/bike trail along 10th Avenue South from China Star to Menards to connect to Quarry Park and the Ledge Amphitheater.	8/2/2024 9:21 PM
21	the city of waite park needs to start worrying about the more important things within the city, like maybe trying to keep the police and fire departments instead of hiring st. cloud to do everything for them..	8/2/2024 4:48 PM
22	Bring back the Yellow Smiley Face water tower! With the Ledge being so popular, it would be a great way to remember Waite Park, the city with a smile. Not the current blue and green that	8/2/2024 4:10 PM

looks like a random office building. Add appropriate trees/landscape and flowering hanging baskets (check out Cold Spring, amazing) to high traffic residential and commercial boulevards; 3rd street, 10th Ave, Division, Hwy 23, 2nd Ave and Waite Ave. There is ZERO curve appeal to Waite Park and with more people visiting The Ledge. Everyone thinks they're in St Cloud. Waite Park is missing a huge opportunity of making a first and lasting impression. Also, the popular splash pad needs more shaded picnic tables and a FENCE!

1	Better signage showing where the bike trailhead is. I've been asked numerous times where it starts.	8/11/2024 3:45 PM
2	It seems like a big price tag for a strip of tar that will stretch for a couple of blocks.	8/10/2024 3:07 PM
3	MAJOR improvements need to be made to intersections for the safety and comfort of pedestrians and cyclists. Intersections are too wide, too fast, have broken signals, chipping and rusting paint on signals, full of road debris, have no safe place to wait, and are unsafe for kids and everyone. Don't just put paths where it's convenient but put them where they are USEFUL. I would love to bike to the grocery store with my kids and not be terrified of the giant death machines barreling by while texting at the same time.	8/10/2024 11:12 AM
4	The mayor has never listened to the general population of Waite Park.	8/10/2024 8:47 AM
5	Better enforcement of distracted drivers. Sweeping shoulders more often due to excessive debris like glass, etc.	8/9/2024 7:47 PM
6	Separate biking and vehicle traffic.	8/9/2024 4:49 PM
7	Stop raising taxes. Starting being fiscally responsible and planning ahead with the money that you already get from taxes. Trails are a trend that will come to an end.	8/9/2024 2:40 PM
8	It needs a crosswalk west of 13th.	8/9/2024 11:13 AM
9	1) It would be great to have more walking/biking trails. 2) More support to keep the current trails safe. (Roving gangs and homeless people living along the Nelson Health trail.) 3) More smaller neighborhood parks, less giant regional parks. 4) A frontage road along highway 15 to cross the Sauk River between the MNDOT building and Hennen's furniture.	8/2/2024 9:21 PM
10	this 1/4 mile long trail that the city wants to add going from the pickleball courts to marcus parkwood 18 is a waste of money and this money could be spent on more important stuff. idc if this money is coming from the government it's a waste. this city is falling apart and they need to figure it out.	8/2/2024 4:48 PM

Saint

Cloud APO

Q1 The Saint Cloud APO has one project programmed to receive federal funding during the time period of fiscal years 2025 through 2028. Please reference the above map for the next question and tell us how important this project is to you and to regional transportation.

Saint Cloud APO FY 2025-2028 Transportation Improvement Program (TIP)

	VERY IMPORTANT.	IMPORTANT.	SOMEWHAT IMPORTANT.	A LITTLE IMPORTANT.	NOT IMPORTANT.	NO OPINION.	TOTAL
#10: The Saint Cloud APO was a recipient of Congressionally Directed Spending (CDS) funds (formerly known as federal earmark funding) to lead the effort in completing the environmental process for the proposed Mississippi River bridge crossing corridor from the intersection of 33rd Street S and CSAH 75 to US 10. The estimated project cost is \$1,000,000 with \$800,000 coming from CDS funds, \$100,000 to be assessed to the City of Saint Cloud, and the remaining \$100,000 to be drawn from the APO's reserves -- to be replenished through the increase of dues to member jurisdictions over a 10-year period.	50.00% 2	25.00% 1	0.00% 0	0.00% 0	25.00% 1	0.00% 0	4

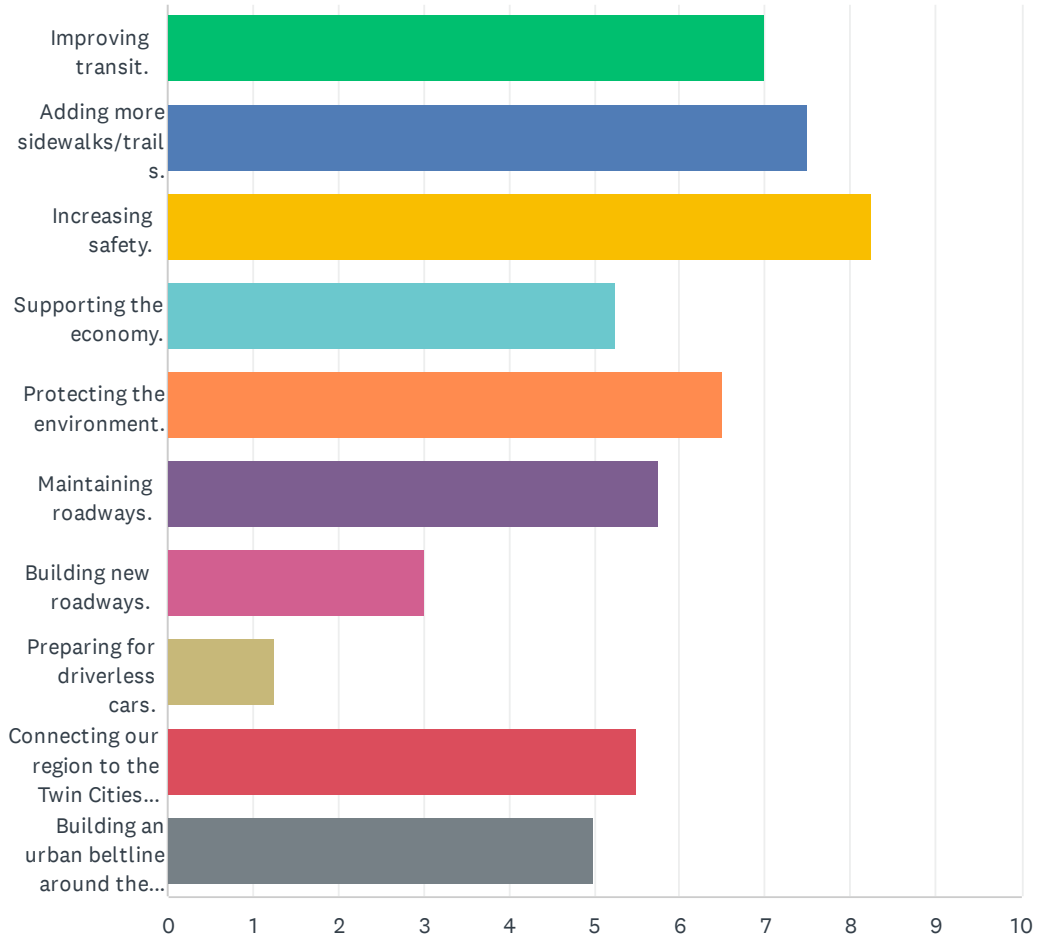

Q2 If there was sufficient funding for the Saint Cloud APO to add one project to be considered for future federal transportation funding opportunities, what project would you add?
