FROM: Vicki Johnson, Senior Transportation Planner
RE: FY 2025-2028 Transportation Improvement Program Administrative Modification
DATE: April 16, 2025

One of the responsibilities of the Saint Cloud Area Planning Organization (APO), as outlined by the Federal Government, is to develop and maintain a Transportation Improvement Program (TIP). The TIP is the document that programs federal funds for transportation improvements in the APO's Metropolitan Planning Area (MPA). Decisions about transportation investments require collaboration and cooperation between different levels of government and neighboring agencies and jurisdictions. As a document, the TIP reports how the various agencies and jurisdictions within the MPA have prioritized their use of limited Federal highway and transit funding.

On April 15, APO staff were alerted to a proposed funding swap between Benton and Wright counties which would necessitate an administrative modification to the APO's FY 2025-2028 TIP.

Benton County

- 2025
 - **005-070-014. BENTON COUNTY CSAH 1/CSAH 29 INTERSECTION, CONSTRUCT ROUND-A-BOUT.** In conversations between the engineers for both Benton and Wright counties, Wright County is requesting to forgo federal funding for a project they were awarded due to right-of-way acquisition issues. As a result, Wright County has proposed to provide Benton County with \$750,000 in federal funding for this project. In return, Benton County will be providing Wright County with \$750,000 in state aid funding (funding that would be used to match the federal grant). At this time no increases in the overall project (which includes 005-070-014CRP) are anticipated. New funding breakdown as follows: STIP Total: \$2,575,841; Target FHWA: \$1,500,000; Total FHWA: \$1,500,000; Other/Local: \$1,075,841; Project Total: \$2,575,841.

With the proposed change, fiscal constraint has been maintained.

Suggested Action: Recommend Policy Board approval.
