

Q1 Stearns County project 073-675-040 (see image above) to rehabilitate the concrete pavement on CSAH 75 (Division Street) from 15th Avenue N in Waite Park to Park Avenue in Saint Cloud is anticipated to cost more than the \$1,100,000 originally set aside. The county is asking to redistribute Federal funds from a project programmed in 2022 (the proposed CSAH 75 mill and overlay from Highway 15 to Cooper Avenue – see Question 2) to help cover the cost increase. The new cost of project 073-675-040 is expected to be \$1,715,056. The county is NOT asking to increase the local dollars needed for this project. How do you feel about this proposed change?
