

Q1 MnDOT is seeking to ELIMINATE districtwide set asides from the APO's TIP for fiscal years 2020 through 2023. Districtwide set asides are specific pots of funding reserved to be used for projects across MnDOT District 3 that have yet to be determined. These pots of funding, totaling a combined \$96,086,889 are classified as the following: Highway Safety Improvement Program, District 3 HSIP Share, Local Partnership Program, External Project Development, System Support, Internal Project Development, Preventative Maintenance, Landscaping, Right-of-Way, Miscellaneous Road and Bridge Repair, and Supplemental Agreements.

Since it is unclear if any of these dollars will be used within the APO, MnDOT District 3 staff is asking the APO to remove these from the TIP. If at any time a project within the APO planning area is determined to be in need of these funds that identified project will warrant an amendment to the TIP. How do you feel about this proposed change?
