

## **FY 2023-2026 Transportation Improvement Program Amendments** June 2023

The following is a detailed list of **APPROVED** changes to the Saint Cloud Area Planning Organization's (APO's) fiscal years (FY) 2023-2026 Transportation Improvement Program (TIP). Given the nature of some of these changes, an administrative modification process to this document was initiated. Per guidelines documented in the APO's Stakeholder Engagement Plan (SEP), no public comment period was warranted for these changes.

The APO's Technical Advisory Committee (TAC) – a committee of area planners and engineers – reviewed these changes at its meeting on May 25, 2023. The APO's Policy Board approved these changes at its regularly scheduled June meeting (June 8, 2023).
