

FY 2026-2029 Transportation Improvement Program Technical Corrections

March 11, 2026

The following is a detailed list of **APPROVED** technical corrections to the Saint Cloud Area Planning Organization's (APO's) fiscal years (FY) 2026-2029 Transportation Improvement Program (TIP). Per guidelines documented in the APO's Stakeholder Engagement Plan (SEP), no public comment period was warranted for these changes.

These changes have been completed in coordination with staff at the Minnesota Department of Transportation District 3 offices.

Saint Cloud

- 2026:
 - **162-153-003.** ****AC**22ND ST S FROM OAK GROVE RD/CR 136 TO COOPER AVE S, RECONSTRUCT RURAL ROUTE INTO 36' MULTIMODAL URBAN SECTION IN THE CITY OF ST CLOUD(AC PROJECT PAYBACK IN 2027).** Due to long lead times in procuring materials for the utilities component of this project, the City is planning to procure those components in a separate bidding from the construction contract. In talking with MnDOT District 3 State Aid, because this will be two separate contacts, the amount reflected in the TIP can only reflect the construction contract amounts. As such, the costs for the utility improvements is being removed from the TIP reducing the total for this project from \$4,325,000 to \$3,405,980, dropping the other/local component from \$2,525,000 to \$1,605,980. Ne funding breakdown is as follows: STIP Total: \$1,845,094; Target FHWA: \$239,114; Total FHWA: \$239,114; Total AC: \$1,560,886; Other/Local: \$1,605,980; Project Total: \$3,405,980.
